

INTERIOR DESIGN  
**CARLA GUILHEM**

## STUDIO PROFILE

Carla Guilhem Design is a high-end interior design studio based in Miami. Founded by Carla Guilhem, the studio is renowned for its ability to craft breathtaking, bespoke interiors that truly reflect the personal style and needs of each client.

At Carla Guilhem Design, the team is deeply passionate about creating beautiful, functional spaces that truly speak to the hearts of those who will inhabit them. From luxurious residential developments to chic commercial spaces and breathtaking superyacht interiors.

With a keen eye for detail and a dedication to sourcing only the finest materials and furnishings from around the world, Carla Guilhem and her team are able to bring each project to life with a level of elegance and sophistication that is truly unmatched. And with a collaborative approach to design, the team works closely with clients to ensure that every project exceeds their high expectations and leaves them feeling truly at home in their new space.

Some of the studio's most notable projects include a stunning penthouse apartment in Zaha Hadid's 1000 Museum in Miami, a breathtaking private villa in New York, and the award-winning custom superyacht Lady Lene. No matter the project, Carla Guilhem Design is dedicated to creating interiors that are truly one-of-a-kind and sure to take your breath away.

“Beauty has the power to change our lives. At Carla Guilhem Design we strive for absolute beauty in every project.”

*curriculum vitae*

## carla guilhem

*"Growing up, I would spend afternoons in my family's furniture company in São Paulo, Brazil. I was mesmerized by the creative process, whether it was selecting the perfect natural wood and applying finishes, or simply cutting and measuring the fabrics. Since then, I knew that I want to dedicate my life to creation and design."*

Carla Guilhem studied architecture in São Paulo, Brazil and holds a degree in Interior Design from the Instituto Europeo di Design (IED) in Madrid, Spain.

She had the distinct honor to work with some of the most renowned names in design, like Humberto and Fernando Campana (*Campana Brothers*), Andrea Ciszak (*Ciszak Dalmas*), Alexander Von Vegesack (*Vitra Design Museum Basel*), and others. Carla curated numerous design *exhibitions* such as 'Salone del Mobile' in Milan and the 'Biennale di Architettura di Venezia' in Venice, Italy.

During the past twelve years, the scope of Carla's work expanded to encompass a wide variety of design/build projects including: luxury residential, commercial, hospitality and yacht interior design. Carla and her team work throughout the USA, Europe and Latin America for her clients.

# The team

Our team consists of highly talented professionals from design disciplines such as architectural & interior design, CAD & 3D rendering, FF&E purchasing, owner's representation and project management. Specialists will be dedicated to your project based on the its specific needs and requirements.
